Our comprehensive WordPress services

1. Custom WordPress development

Our experts take your goals and objectives into careful consideration, crafting bespoke website solutions that align perfectly with the best interests of your business.

2. Theme development & customization

In order to distinguish your website, we create a diverse range of themes, each offering ample room for personalization and unique branding.

3. WordPress ecommerce development

Our experts assist you in establishing the perfect ecommerce platform to showcase your products and boost conversion rates effectively.

4. WordPress plugin development

We craft custom plugins that seamlessly integrate and enhance your website's functionality, catering to your unique needs.

5. WordPress blog development

We craft engaging and user-friendly blogs that captivate your audience and drive meaningful interactions.

6. API integration

We seamlessly connect your systems, applications, and data, enabling smooth data flow and functionality. With our API integration solutions, you can unlock new levels of efficiency and deliver a cohesive digital experience to your customers.

7. Support & maintenance

From continuous website maintenance to 24/5 technical support, count on us to have your back at all times; we ensure your online presence stays in top-notch shape.

8. WordPress migration

Considering a migration to WordPress? We specialize in seamless transition while safeguarding the integrity and security of your valuable data.

We are WordPress VIP Silver agency partners

We proudly stand among a select group of 50 global agencies worldwide, holding the esteemed title of an official WordPress VIP Silver agency partner.

At Mavlers, we leverage the advanced capabilities, features, and support offered by WordPress VIP to meet your enterprise needs with exceptional efficiency. Our commitment is to provide unmatched website experiences that set you apart from the competition.

For agencies with a significant presence (large enterprises), WordPress VIP offers the ideal solution

Market challenges and our standout solutions

	Challenges	How we deal with it
	Lack of transparency	Be it the regular reports we provide or our process, we provide 100% transparency.
	Rapid technological advancements	With a strong grip over technological advancements, our experts leverage the latest tools and methodologies.
	Inconsistent communication	We assign resources who operate in your time-zone. Our team strives to align with your processes.
	Overselling and under delivering	We are always transparent while sharing the scope of our deliverables, and deliver what we promise.

If this is what you're looking for, we're a perfect fit!

- Revamping an outdated website with a modern WordPress redesign.
- Starting a blog and require WordPress setup and customization.
- Expanding an online presence by migrating an existing site to WordPress.
- Enhancing search engine visibility with WordPress SEO optimization.
- Building a membership site with login and subscription features using WordPress.
- Securing a WordPress website against cyber threats with professional services.
- Creating a portfolio website to showcase artistic or professional work.
- Integrating WordPress with third-party software for seamless functionality.

Why Mavlers is ahead of the curve

1. **Expertise**
2. **Agile processes**
3. **Innovative strategies & technologies**
4. **Results-driven approach**
5. **Customized & personalized solutions**
6. **Strong online presence & reputation**
7. **Client-centric approach**

At Mavlers, we take a consultative and holistic approach to digital marketing; this helps us to not only meet each client's unique needs but go beyond

Our happy clients

“

Great service. Incredibly fast turnaround and flawless work. Somehow you even anticipated things that I didn't think of myself. I wish I'd discovered Mavlers years ago.

VIJAY SUDAN

“

Excellent service, quality code, lightening fast turnaround and at an unbeatable price. National Geographic loves the Mavlers!

SUSIE MURPHY

“

From the moment of our first interaction, Mavlers have been courteous, diligent, and effective. I'm very impressed with their work and will certainly be using them again! Thanks guys!

CHARLIE BURNETT

Our happy clients

“

—

Our lead volume has increased by 572% and sales have increased by more than 390% over the same period year on year. I'm extremely satisfied with the outcomes and milestones produced so far.

CHRIS GLOVINE

“

—

We are very pleased to say Mavlers delivered results and consequently we saw marked improvements with overall traffic performance. The level of professionalism and transparency displayed by Mavlers has been impressive and we highly recommend them.

SIMON REYNOLDS

“

—

Mavlers built our website and have also managed our SEO. With their insights, many of our keywords hit no.1 on Google. Fast, friendly and knowledgeable-they're easy to work with and great value. Highly recommended.
